

3 Courses

Cyber Security: GRC Part 1 - Governance

Cyber Security: GRC Part 2 - Risk Management and Compliance

Cyber Security: Incident Response - Theory to Practice

Oct 27, 2025

Jared Quah Foo Zhun

has successfully completed the online, non-credit Specialization

Cyber Security: Essentials for Governance, Risk & Compliance

This certificate is awarded for successful completion of the Cyber Security: Governance, Risk and Compliance Specialization, developed by Macquarie University's Cyber Skills Academy. The program combines three courses Governance, Risk Management and Compliance, and Incident Response to equip learners with the knowledge and practical skills to design governance frameworks, apply global standards, manage compliance obligations, and lead effective incident response. Graduates are prepared to strengthen organisational resilience and safeguard digital trust in today's evolving cyber landscape.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
