# JARED QUAH FOO ZHUN

# **STUDENT**

# **EDUCATION**

#### **Nobel International School**

2013 - 2022

High School education and IGCSE

# Asia Pacific University of Technology & Innovation (APU)

2023 - Present

Foundation in Computing Technology
BSc in Computer Science (Cybersecurity)

### **CERTIFICATIONS**

- Red Hat System Administration I (RH124) Certificate of Attendance
- Google Cybersecurity Professional Certificate
- Palo Alto Networks Cybersecurity
- CCNA: Switching, Routing & Wireless Essentials
- Security Governance & Compliance (UC Irvine)
- Cyber Security: Essentials for Governance, Risk & Compliance (Macquarie University)
- Tecforte SOC LIVE Elite (Ongoing)
- ISC2 Certified in Cybersecurity (Ongoing)

#### **TECHNICAL SKILLS & EXPERIENCE**

- Red Hat Enterprise Linux (Rocky) Developed working email system using Postfix and Dovecot. Added TLS/SSL Encryption for secure communication between client and server.
- Kali Linux & Security Tools Nmap for Network Discovery, Nessus for Vulnerability Assessment, Wireshark for capturing packets.
- Networking OSI Model, TCP/IP Protocol, Firewalls, VLAN, Trunking.
- Basic experience with Python, SQL, Java and C++
- Tecforte SOC LIVE Elite L1 SOC Monitoring event logs for suspicious activity, escalating incidents to community threat intelligence, familiarizing with MSSGARD SIEM.
- Governance, Risk and Compliance (GRC) Familiar with NIST 800-53, ISO 27001, Risk Assessment, Regulatory Compliance, Incident Response.
- Palo Alto Networks Cloud Computing Fundamentals (CaaS, laaS, SaaS, PaaS), Zero-Trust Architecture, SOAR, APT's, Firewalls
- Participated in CTF Competitions SummitCTF 2025 and THCon CTF 2025.

# **SOFT SKILLS**

- Team-Player
- Empathy
- Critical Thinker
- Punctuality
- Creativity
